KSC IDI Community Portal

- Portal is an initiative of KSC and IDI to provide a forum for the INTOSAI community to interact on regular basis.
- Designed to enable free communication, knowledge sharing and dissemination of information.
- Would also serve as a single window of information on the activities of Knowledge Sharing Committee and the Working Groups under it.

Community of Practice (COP)

- Enables members to interact with each other in their pursuit of a common practice.
- Allows the members to share experience and work together on the topics of mutual interest in true INTOSAI spirit of 'Experience benefits all.'

COP of WGPD

- Presentation by IDI in Manila
- Member SAls appreciated the need
- Manager CoP was agreed upon
- Further course of action after revamping of the portal

Revamping of KSC IDI Portal

- Pursuant to the presentation by IDI in Manila a meeting was held in New Delhi on the 14 December 2017 to discuss various challenges faced in maintaining robust Communities of Practice.
- WGPD was represented by me
- It was informed that to foster robust CoPs there was a need to revamp the portal.

Revamping Contd.

- It was decided that a pilot CoP on WGPD was to be launched by June 2018
- KSC informed on 30 May that revamped portal is functional
- CoP WGPD launched on June 7 2018

Efforts to build a CoP of WGPD

- Annual meeting of WGPD discussed the matter in right earnest
- SAI India gave formal assent in November 2017
- Attended meeting in New Delhi in December 2017
- Shared my plan of action with secretariat in January 2018

Efforts contd.

- Requested members in May 2018 to indicate topics for discussion
- Requested members to join the portal and WGPD CoP
- Three threads functional

Plan of action

- To make full use of the functionality of the revamped portal
- To sustain active discussions in the CoP,
- To identify organisations and institutions active in public debt management and audit for better cooperation ,
- To post new contents in the CoP which will encourage discussions ,
- To encourage members to share best practices,

Way Forward

- Consensus on functionalities
- Keeping it vibrant our responsibility

- **THANK YOU**
